

PhilHealth PDR

(PhilHealth Provider Data Record)

User Manual

Authors: De Guzman, Dale | Lominoque, Angeleen | Millarpis, Hazelle | Yu, Monty

Assigned: Healthcare Professionals

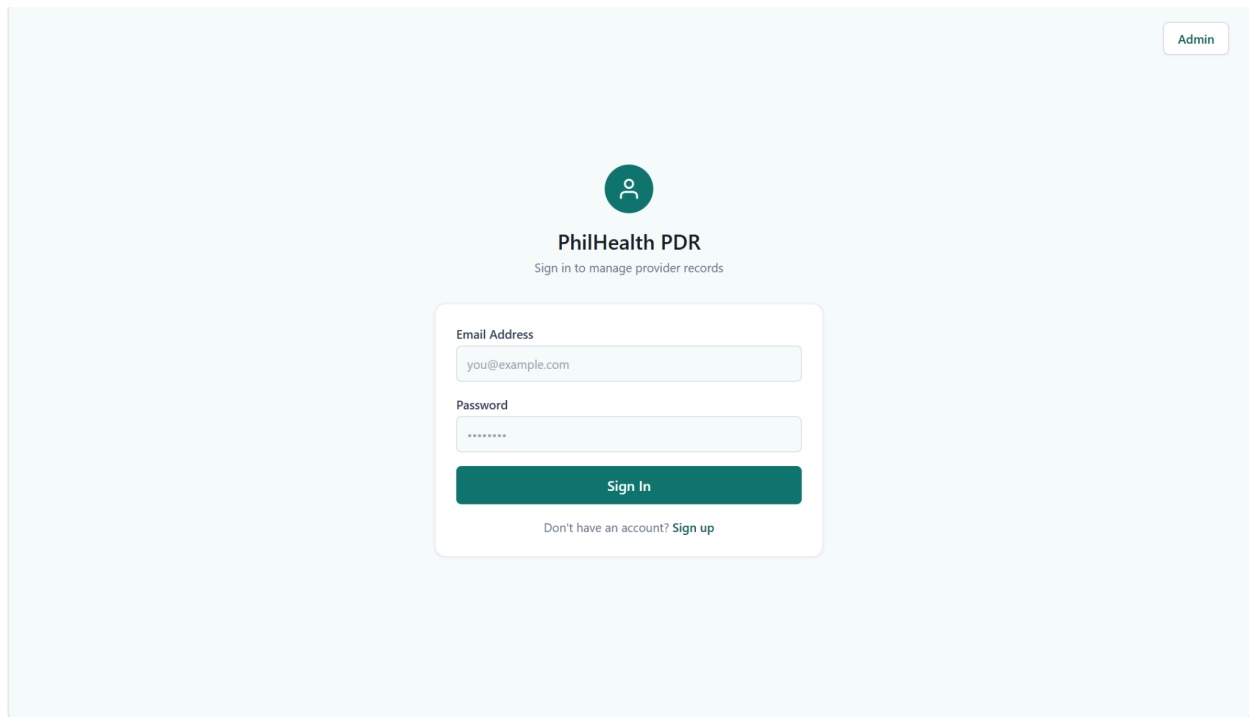

Instructor: Dr. Ma. Sheila Magboo, PhD

User Manual

1. System Access

1.1 Login Page (Sign in)

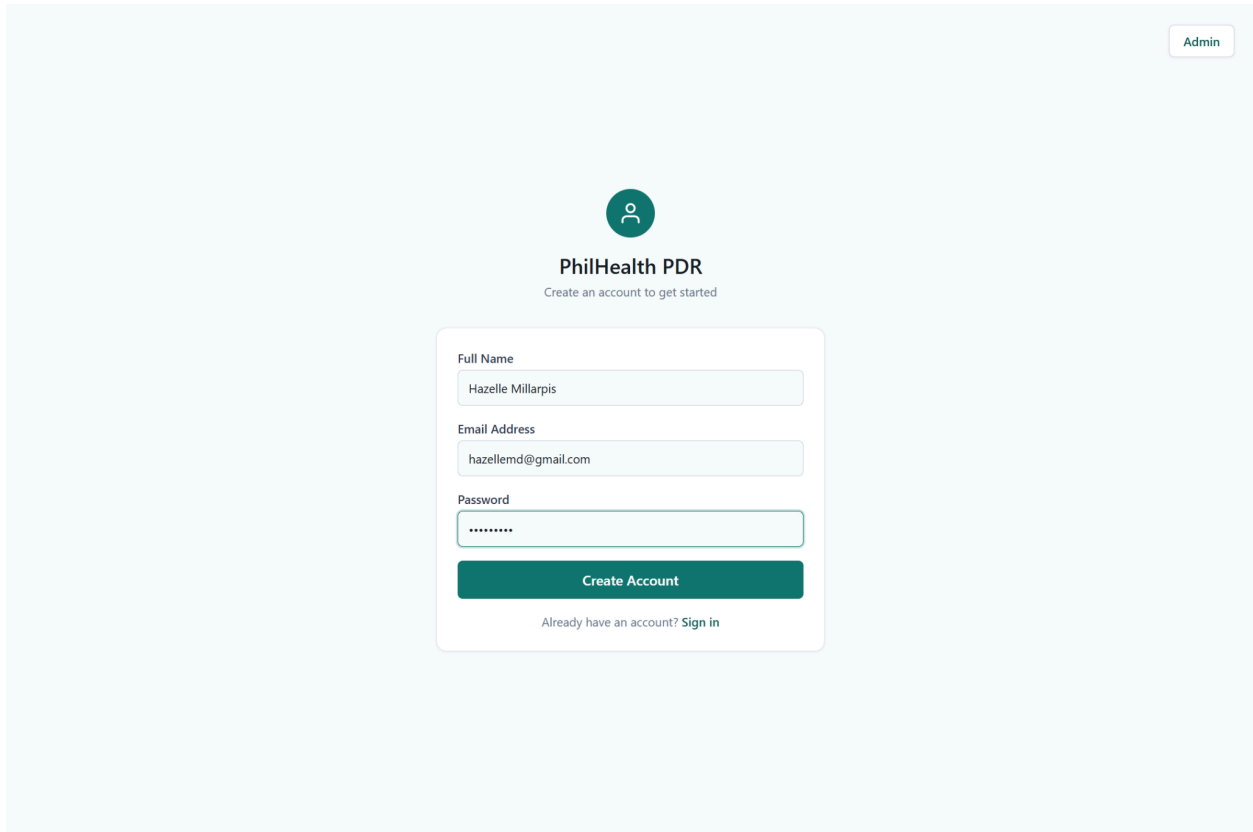

- Navigate to: <https://health-professional-191.vercel.app/login>
- Enter registered email address and password.
- Click **Sign In** button

Login page showing email, password fields, and login button.

1.2 Registration (Sign up)

- Click **Sign Up** on the login page if you don't have an account yet.
- Fill in required fields: full name and email address.
- Set password and confirm.
- Click **Create Account** button

The image shows a web application interface for PhilHealth PDR. In the top right corner, there is a button labeled "Admin". Centered on the page is a circular profile icon with a person silhouette. Below the icon, the text "PhilHealth PDR" is displayed, followed by the subtitle "Create an account to get started". A registration form is centered below this, containing three input fields: "Full Name" with the value "Hazelle Millarpis", "Email Address" with the value "hazellemd@gmail.com", and "Password" with masked characters "*****". A green "Create Account" button is positioned below the password field. At the bottom of the form, a link reads "Already have an account? Sign in".

Sign Up form with all fields visible

2. User Roles and Permissions

2.1 Common Users (All Healthcare Professionals)

- Access login and registration.
- Navigate dashboard based on role.
- Create, edit, view, and delete own provider records.
- Upload passport photo and draw digital signature.
- Export or print completed PDR forms as PDF.
